DETAILED ACTION

Claim Objections

1. Claims 8-11 are objected to under 37 CFR 1.75(c), as being of improper dependent form for failing to further limit the subject matter of a previous claim. Applicant is required to cancel the claim(s), or amend the claim(s) to place the claim(s) in proper dependent form, or rewrite the claim(s) in independent form.

Claims 8-10 provide a limitation that is already in claims 5-7, respectively.

Claim 11, line 8, 'enclosures.' should be replaced with 'enclosures,'.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 5-11 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Exemplary of such:

Claims 5-7, line 2, it is unclear as to what is meant by 'limiting' an inner space.

Claim 5, line 14, it is unclear as to what is meant by 'and then a'.

Claim 6, line 14, 'said wall of' should be inserted after 'between';

Line 15, 'wall of' should be inserted after 'said'.

Claim 7, Line 9, 'said joint' should be replaced with 'a joint';

Line 10, 'said two' should be replaced with 'two';

Art Unit: 1744

Line 16, 'said wall of' should be inserted after 'between';

Line 16, 'said wall of' should be inserted after 'and';

Line 19, it is unclear as to whether the 'a gap' is in addition to that of line 13 or one in the same;

Line 23, it is unclear as to whether 'a joint passage' is in addition to that of line 9 or one in the same.

Claims 8-10, line 1, 'A' should be replaced with 'The'.

Claim 9, line 3, 'said at least one individual enclosure' lacks proper antecedent basis.

Claim 10, line 4, 'said at least one individual enclosure' lacks proper antecedent basis.

Claim 11, line 5, it is unclear as to what is meant by 'active' pressure;

Line 5, it is unclear as to what 'an interior of said' refers; it appears to be missing a word;

Line 11, it is unclear as to whether 'an inner space' is in addition to that of line 2 or one in the same.

Allowable Subject Matter

4. Claims 5-7 and 11 would be allowable if rewritten or amended to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action.
5. Claims 8-10 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, second paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.

Conclusion

6. Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

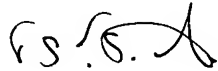

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within **TWO MONTHS** of the mailing date of this final action and the advisory action is not mailed until after the end of the **THREE-MONTH** shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of the advisory action. In no event, however, will the statutory period for reply expire later than **SIX MONTHS** from the date of this final action.
